

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 18, 2022

Mr. Jonathan T. Koury
Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2022-31953

Dear Mr. Koury:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 978008 (PIR# PD-2022-636).

The Bryan Police Department (the "department") received a request for fourteen categories of information pertaining to a specified incident involving the requestor's client. You state you will release some information to this requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information contains recordings from department police officers' body worn cameras. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recordings at issue. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the

recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the submitted recordings pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You also state you have not received a written authorization for release from all of the subjects of the recordings. *See id.* Accordingly, we find the department must withhold the submitted body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
