Re: Request for reports, photos, dash/body cam, 911 calls etc re incident on 05/22/22.

Dear Mr. Halla:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 978687.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the remaining video recording(s) must be withheld from the requestor in its entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information not pertaining to the requestor from the recording. Thus, we agree you must withhold the remaining video recording(s) pursuant to section 552.130 of the Government Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/open-government/governmental-bodies/open-records-memorandum-rulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
