ATTORNEY GENERAL OF TEXAS

Michelle L. Villareal  
Deputy City Attorney  
City of League City  
300 West Walker Street  
League City, Texas 77573

OR2022-32210

Dear Ms. Villareal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 975841 (Reference No. 22-620).

The City of League City (the "city") received a request for certain information concerning residential properties. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note the requestor only seeks residential properly addresses. Accordingly, the remaining submitted information is not responsive to the instant request. This ruling does not address the public availability of any information that is not responsive to the request and the city is not required to release such information in response to this request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 182.052 of the Utilities Code, which provides, in part, as follows:

- (a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

any information relating to the volume or units of utility usage or the amounts billed to or collected from an individual for utility usage, unless the customer requests that the government-operated utility disclose the information.

(b) A customer may request disclosure of information described by Subsection (a) by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(2) or any other written request for disclosure.

Util. Code § 182.052(a)-(b). “Personal information” under section 182.052(a) means an individual’s address, telephone number, and social security number, but does not include the individual’s name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). Water, wastewater, sewer, gas, garbage, electricity, and drainage services are included in the scope of utility services covered by section 182.052. *See* Util. Code § 182.051(3). Section 182.054 of the Utilities Code provides six exceptions to the disclosure prohibition found in section 182.052. *See id.* § 182.054.

We understand the city is a government-operated utility for purposes of section 182.052. *See* Util. Code § 182.051(3) (providing a “government-operated utility” is a governmental body or entity that, for compensation, provides water, wastewater, sewer, gas, garbage, electricity, or drainage service). Upon review, we find the submitted responsive information contains personal information of utility customers. The city informs us the customers did not request that the city disclose their information. Thus, the city must withhold the submitted responsive information under section 552.101 of the Government Code in conjunction with section 182.052 of the Utilities Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839.
