ATTORNEY GENERAL OF TEXAS

Mr. David T. Ritter
Counsel for City of McKinney
Brown & Hofmeister, LLP
740 East Campbell Road, Suite 800
Richardson, Texas 75081

OR2022-32283

Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 979340 (ORR#s G25132 & G25133).

The City of McKinney (the "city"), which you represent, received a request for information pertaining to the requestor and a specified job position. You state you released some information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.122 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 411 of the Government Code, which makes confidential criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. *See id.* § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety ("DPS") maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1 of the Government Code. *See Gov't Code* § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.*

§ 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F, of the Government Code. We note CHRI does not include driving record information. *See id.* § 411.082(2)(B). Upon review, we find a portion of the submitted information, which we marked, consists of CHRI that is confidential under section 411.083. Thus, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.¹ However, we find you have not demonstrated any portion of the remaining information consists of CHRI for purposes of chapter 411 of the Government Code, and the city may not withhold any of the remaining information under section 552.101 of the Government Code on that basis.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See id.* § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). We note section 552.108 is generally not applicable to purely administrative records that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. Civ. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Record Decision No. 350 at 3-4 (1982). Upon review, the remaining information pertains to an internal investigation conducted by the city’s police department, and is not information that deals with the detection, investigation, or prosecution of crime only in relation to a criminal investigation that did not result in conviction or deferred adjudication. Thus, we find the city has failed to demonstrate the applicability of section 552.108(a)(2) to any portion of the remaining information at issue, and the city may not withhold the remaining information on that basis.

Section 552.122 of the Government Code excepts from disclosure “[a] test item developed by a licensing agency or governmental body[.]” Gov’t Code § 552.122(b). In Open Records Decision No. 626 (1994), this office determined that the term “test item” in section 552.122 includes “any standard means by which an individual’s or group’s knowledge or ability in a particular area is evaluated.” ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* at 6. Traditionally, this office has applied section 552.122 where release of test items might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

¹ We note the requestor can obtain his CHRI from DPS. Gov’t Code § 411.083(b)(3).

You seek to withhold the polygraph examination records under section 552.122 of the Government Code. Upon review, we find this information does not evaluate an individual's or group's knowledge or ability in a particular area. Accordingly, you have failed to demonstrate this information consists of "test items" for purposes of section 552.122(b). Therefore, the city may not withhold any portion of the information at issue under section 552.122 of the Government Code.

In summary, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The city must release the remaining information.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ² We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, if the city receives another request for the same information from a different requestor, the city must again seek a decision from this office.
