Re: Request for all records for K. Perkins and S. Salter and 2407 Poplar St.

Dear Ms. Rush:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 979192 (PIR 22-2482).

After reviewing your arguments, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the requested information must be withheld from the requestor. A request to compile an individual's criminal history implicates this person's privacy. We have concluded such a compilation is highly embarrassing information and is generally not of legitimate concern to the public. Therefore, to the extent you maintain law enforcement records depicting the named individuals as suspects, arrestees, or criminal defendants, you must withhold the requested information under section 552.101 of the Government Code in conjunction with common-law privacy.¹

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/open->

¹ We note although the requestor is a representative of the Division of Child and Adult Protective Services for Arapahoe County, Colorado, the requestor does not indicate she has a right of access to the information at issue, to the extent it exists, under state or federal law. *See* Open Records Decision Nos. 598 (1991), 583 (1990), 451 (1986).
