Dear Ms. August:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 980531.

The Southern Methodist University Police Department (the "department") received a request for specified incident reports. The department claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information. We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

The requestor asserts the department did not comply with the procedural requirements of section 552.301 of the Government Code. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). Pursuant to section 552.301(d), the governmental body must provide the requestor, within ten business days after the date of its receipt of the request for information, a statement the governmental body has asked for a decision from the attorney general and a copy of the governmental body's written communication to the attorney general asking for a decision. *See id.* § 552.301(d). Further, pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative

samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). Section 552.301(e-1) provides a governmental body shall send a copy of its comments to the requestor not later than fifteen business days after receiving the written request and must redact any information disclosing the substance of the requested information from the copy of the comments provided to the requestor. *See id.* § 552.301(e-1).

The department states it received the request for information on August 4, 2022. Accordingly, the ten- and fifteen-business-day deadlines under sections 552.301(b) and 552.301(e) were August 18, 2022, and August 25, 2022, respectively. The envelopes in which the department provided the information required by sections 552.301(b) and 552.301(e) to this office are postmarked August 17, 2022, and August 23, 2022, respectively. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Additionally, we note the requestor was copied on each of these communications. Upon review, we find the requestor has failed to establish the department did not comply with its procedural requirements under section 552.301. Therefore, we must address the department's arguments to withhold the information at issue under the Act.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). The department states the submitted information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in the *Houston Chronicle* decision. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle* decision). Thus, with the exception of basic information, which the department must release, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and

responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
