Ms. Audra Gonzalez Welter
Assistant General Counsel
The University of Texas System

OR2022-32635

Dear Ms. Welter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 980360 (OGC# 206938).

The University of Texas at Arlington (the "university") received a request for the awarded contracts and bid tabulation for a specified request for proposals. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of third parties. Accordingly, you state, and provide documentation showing, you notified Kleen-Tech Services, LLC and Omega Industries, Inc. of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the third parties at issue explaining why their information should not be released. Therefore, we have no basis to conclude any of the third parties have a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the university may not withhold any of the information at issue on the basis

of any proprietary interest the third parties at issue may have in it. The university must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jennifer Copeland
