Dear Ms. Kreh:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 980395 (RID-617-2022).

The City of Saginaw (the "city"), which you represent, received a request for information related to a particular motor vehicle accident. You state the city will withhold information pursuant to sections 552.130(c) and 552.147(b) of the Government Code and Open Records Decision No. 684 (2009).¹ You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Initially, we note the submitted information includes city police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

¹ Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b). Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information without the necessity of requesting an attorney general decision.

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

As noted above, we understand the city will redact motor vehicle record information pursuant to section 552.130(c) of the Government Code. We note the remaining information contains additional motor vehicle record information. Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Upon review, we find the remaining video recordings contain visible motor vehicle record information. You state the city lacks the technological capability to redact the confidential information in the video recordings at issue. Based upon this representation, we conclude the city must withhold the information you marked, the additional information we have indicated, and the remaining video recordings in their entirety, under section 552.130 of the Government Code.² *See* Open Records Decision No. 364 (1983).

Section 552.101 excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the city must withhold the

public citizens' dates of birth you marked under section 552.101 of the Government Code in conjunction with common-law privacy.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and it need not be released. The city must withhold the information you marked, the additional information we have indicated, and the remaining video recordings in their entireties, under section 552.130 of the Government Code. The city must withhold dates of birth you marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
