Mr. Gabriel A. Rodriguez  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277  
Corpus Christi, Texas 78469-9277

OR2022-33216

Dear Mr. Rodriguez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 980943 (ORR# 1177).

The City of Corpus Christi (the "city") received a request for four specified reports involving specified animals. The city claims some of the submitted information is excepted from disclosure under section 552.1177 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Gov't Code § 552.1177(a). The city asserts the submitted information identifies persons who adopted animals from the city's municipal animal shelter. The city represents its municipal animal shelter made a humane disposition of the animal at issue under a municipal ordinance. Based on these representations and our review, we agree the city must withhold the information we marked under section 552.1177 of the Government Code. However, the remaining information is not confidential under section 552.1177, and the city may not withhold it on that ground. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
