ATTORNEY GENERAL OF TEXAS

October 26, 2022

Mr. Donnie McGilbra
Assistant County Attorney
El Paso County
500 East San Antonio, Room 503
El Paso, Texas 79901

OR2022-33232

Dear Mr. McGilbra,

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 976972 (File No. 462).

The El Paso County Medical Examiner's office (the "medical examiner's office") received a request for information related to a specified individual. You claim the submitted information is excepted from disclosure under section 552.101. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code §552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Section 159.001 of the MPA defines "patient" as a person who consults with or is seen by a physician to receive medical care. Occ. Code § 159.001(3). Under this definition, a deceased person cannot be a patient under section 159.002 of the MPA. *See* ORDs 487, 370, 343. Thus, the MPA is applicable only to records related to a person who was alive at the time of diagnosis, evaluation, or treatment to which the records pertain. Upon review we find the submitted information pertains to a deceased individual. Therefore, the medical examiner's office may not withhold the submitted information under section 552.101 of the Government Code in conjunction with MPA. As no other exceptions to disclosure are raised, the medical examiner's office must release the submitted information.
