

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

October 27, 2022

Ms. S. McClellan  
Assistant City Attorney  
City of Dallas  
1400 Botham Jean Boulevard  
Dallas, Texas 75215

OR2022-33364

Dear Ms. McClellan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 980865 (DPD Request Number: D022708-072522).

The Dallas Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note, and you acknowledge, the department failed to comply with section 552.301 of the Government Code. *See Gov't Code* § 552.301(b), (e). Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.3d 379, 381 (Tex. App.—Austin 1990, no writ). Because your argument under section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider the applicability of this exception to the submitted information.

---

<sup>1</sup>We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See id.* § 51.02(2) (defining “child” for purposes of title 3 of Family Code). The submitted information involves a juvenile offender and falls within the scope of section 58.008(b). It does not appear any of the exceptions in section 58.008 apply. Accordingly, the department must generally withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

We note, however, the information at issue includes a CR-3 accident report. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Therefore, the requestor has a right of access to the submitted accident report. Thus, we must address the conflict between the confidentiality provided under section 58.008(b) of the Family Code

and the right of access provided under sections 550.065(c) of the Transportation Code. Where general and specific statutes are in irreconcilable conflict, the specific provision typically prevails as an exception to the general provision unless the general provision was enacted later and there is clear evidence the legislature intended the general provision to prevail. *See* Gov't Code § 311.026(b); *City of Lake Dallas v. Lake Cities Mun. Util. Auth.*, 555 S.W. 2d 163, 168 (Tex. Civ. App.—Fort Worth 1977, writ ref'd n.r.e.). We note section 58.008(b) generally pertains to all juvenile law enforcement records. However, section 550.065 specifically pertains to accident reports. Accordingly, we find section 550.065 is more specific than, and prevails over, section 58.008(b). Therefore, the department must release the submitted CR-3 accident report pursuant to section 550.065(c) of the Transportation Code.

In summary, the department must release the submitted CR-3 accident report pursuant to section 550.065(c) of the Transportation Code and must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
