ATTORNEY GENERAL OF TEXAS

October 31, 2022

Ms. Hannah Bell
Assistant Criminal District Attorney
Tarrant County
401 West Belknap, 9th Floor
Fort Worth, Texas 76196

OR2022-33623

Dear Ms. Bell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 981233.

The Tarrant County Criminal District Attorney's Office (the "district attorney's office") received two requests from different requestors for information pertaining to the March 2022 Primary Election. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹ We have also received and considered comments from the requestors. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 66.058 of the Election Code, which provides, in relevant part:

- (a) Except as otherwise provided by this code, the precinct election records shall be preserved by the authority to whom they are distributed for at least 22 months after election day.

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(b) For a period of at least 60 days after the date of the election, the voted ballots shall be preserved securely in a locked room in the locked ballot box in which they are delivered to the general custodian of election records. . .

(b-1) Except as permitted by this code, a ballot box or other secure container containing voted ballots may not be opened during the preservation period.

...

(g) Electronic records created under Chapter 129 shall be preserved in a secure container.

Elec. Code § 66.058 (a)-(b-1), (g). The term “precinct election records” means the precinct election returns, voted ballots, and other records of an election that are assembled and distributed under chapter 66 of the Election Code. *See id.* § 66.02; *see also id.* §§ 121.001 (noting other provisions of this code apply to an election in which a voting system is used), 127.132 (explaining voted ballots, election returns, and other election records of an electronic voting system shall be delivered to the authorities who receive corresponding records from precinct polling places using regular paper ballots), 129.001 (stating chapter 129 applies to voting system that uses direct recording electronic voting machines and, to the extent possible, procedures applicable to electronic voting system under chapter 127 are applicable to voting system under chapter 129). Although you assert the submitted information may not be released until the expiration of the 22-month preservation period set out in section 66.058(a), we note section 1.012 of the Election Code establishes this information as public information and requires the election records custodian to make the information available to the public. *See* Attorney General Opinion KP-411 at 3, 6 (2022); *see also* Elec. Code § 1.012(c), (d) (defining “election record”). In Attorney General Opinion KP-411, this office concluded, “By expressly requiring the custodian to provide public access to such records, the Legislature authorized entry into the locked ballot box for such purpose during the 22-month period.” Attorney General Opinion KP-411 at 6; *see also* Elec. Code §§ 1.012(c), (d), 66.058(b-1). Thus, members of the public may inspect or obtain copies of the information during the 22-month preservation period, and the district attorney’s office may not withhold any of the information at issue under section 66.058 of the Election Code. As no further exceptions to disclosure have been raised, the district attorney’s office must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
