

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

October 31, 2022

Mr. Ryan Brooke and Ms. Amy L. Sims  
Assistant City Attorney and Deputy City Attorney  
City of Lubbock  
P.O. Box 2000  
Lubbock, Texas 79457

OR2022-33624

Dear Mr. Brooke and Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 981358 (File Nos. P002010-080922 and P002381-092022).

The City of Lubbock (the "city") received two requests from different requestors for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>3</sup> Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1).

---

<sup>1</sup> Although you also raise section 552.101 of the Government Code, you make no arguments to support this exception. Therefore, we assume you have withdrawn your claim that this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

<sup>2</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

<sup>3</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release information subject to section 550.065 in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the second requestor is a person listed under section 550.065(c). Therefore, the second requestor has a right of access to the submitted accident reports. The first requestor has not demonstrated they are a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b) with respect to the first requestor, and the city must withhold it under section 552.101 of the Government Code on that basis. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the first requestor has a right of access to the redacted accident report. Although the city asserts section 552.108 of the Government Code to withhold the information at issue, we note a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Accordingly, the city must release the CR-3 accident report in its entirety to the second requestor pursuant to section 550.065(c) of the Transportation Code and must release the redacted CR-3 accident report to the first requestor pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). You state the remaining information pertains to a closed criminal investigation that did not result in a conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, the city must withhold the submitted CR-3 accident report from the first requestor under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but must release the redacted CR-3 accident report to the first requestor pursuant to section 550.065(c-1) of the Transportation Code. The city must release the CR-3 accident report in its entirety to the second requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
