Director of Legal Services
Harris County Sheriff's Office

Dear Ms. Jimenez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 981085 (HCSO File Number 22SO50083).

The Harris County Sheriff's Office (the "sheriff's office") received a request for a specified list during a defined period of time. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by federal law. The submitted information contains information that was reported to the National Trace Center of the Department of Justice Bureau of Alcohol, Tobacco, Firearms and Explosives (the "ATF"). Public Law number 112-55 states, in pertinent part, as follows:

[D]uring the current fiscal year and in each fiscal year thereafter, no funds appropriated under [the Consolidated and Further Continuing Appropriations Act, 2012] or any other [a]ct may be used to disclose part or all of the contents of the Firearms Trace System database maintained by the National Trace Center of the [ATF] or any information required to be kept

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Consolidated and Further Continuing Appropriations Act, 2021, Pub. L. No. 112-55, 125 Stat. 552, 609-10 (2011). Upon review, we find the submitted information is confidential under Public Law number 112-55. *See Miller v. U.S. Dep't of Justice*, 562 F. Supp. 2d 82, 111 (D.D.C. 2008) (holding Firearms Trace Report properly withheld under Freedom of Information Act exemption 3, which covers records that are exempt from disclosure by statute). Accordingly, the sheriff's office must withhold the submitted information under section 552.101 of the Government Code in conjunction with Public Law number 112-55.
