Mr. Gabriel A. Rodriguez  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277

OR2022-33738

Dear Mr. Rodriguez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 981127 (CCPD File No. ACS10).

The City of Corpus Christi (the "city") received a request for information related to a specified animal. You claim the submitted information is excepted from disclosure under section 552.1177 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Gov't Code § 552.1177(a). You assert the submitted information identifies a person who adopted an animal from the city's municipal animal shelter. You state the city made a humane disposition of the animal at issue under a municipal ordinance. Upon review, we find the city must withhold the information we have marked under section 552.1177 of the Government Code. However, we conclude you have failed to establish section 552.1177 is

applicable to the remaining information and may not withhold any of it on that ground. As you raise no further exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
