ATTORNEY GENERAL OF TEXAS

Ms. Leigh Ann Tognetti  
Assistant District Attorney  
Hidalgo County Criminal District Attorney's Office  
100 East Cano Street  
Edinburg, Texas 78539

OR2022-33787

Dear Ms. Tognetti:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 981852 (File No. 2022-176-DA.CO).

Hidalgo County (the "county") received a request for the bid tabulations for specified contract awards. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would "harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). After review of the information at issue and consideration of the arguments, we find the county has established the release of the information at issue would harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation. Thus, we conclude the county may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
