Dear Ms. Bastian:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 978338.

The City of Falfurrias (the "city"), which you represent, received a request for information pertaining to a specified accident. The city claims the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

The submitted information includes body worn camera recordings of city police officers. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). The requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach these recordings and the city is not required to release them. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 58.008(b) of the Family Code, which provides as follows:

Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least ten years old and less than seventeen years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Upon review, we find the submitted information does not involve a juvenile suspect, offender, or defendant engaging in delinquent conduct or conduct indicating a need for supervision for the purposes of section 58.008(b). Thus, the city may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008 of the Family Code.

Section 552.108(a)(2) of the Government Code exempts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). Upon review, we find the city has not established section

552.108(a)(2) is applicable to the submitted information. Therefore, the city may not withhold the submitted information on that ground.

Section 552.101 of the Government Code also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information contains a CR-3 accident report that is subject to chapter 550 of the Transportation Code. We are unable to determine whether the requestor is a person listed under section 550.065(c). Thus, we must rule conditionally. If the requestor is a person listed under section 550.065(c) of the Transportation Code, then the city must release the CR-3 accident report pursuant to section 550.065(c) of the Transportation Code. If the requestor is not a person listed under section 550.065(c), then the city must withhold the report under section 552.101 of the Government Code in conjunction with section 550.065(c) of the Transportation Code. Nevertheless, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, if the requestor is not a person listed under section 550.065(c), then the city must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. We find the remaining information is not confidential under section 552.130 of the Government Code and the city may not withhold it on that ground.

In summary, because the requestor did not properly request the submitted body worn camera recordings pursuant to chapter 1701 of the Occupations Code, our ruling does not reach the body worn camera recordings at issue and the city is not required to release them. If the requestor is a person listed under section 550.065(c) of the Transportation Code, then the city must release the CR-3 accident report pursuant to section 550.065(c) of the Transportation Code. If the requestor is not a person listed under section 550.065(c), then the city must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(c) of the Transportation Code, but release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
