PIRs 22-0557, 22-0558, and 22-0559.

Dear Mr. Gregg:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 977919.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the video recordings must be withheld from the requestor in its entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information not pertaining to the requestor from the recordings. Thus, we agree you must withhold the video recordings pursuant to section 552.130 of the Government Code.¹

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/open-government/governmental-bodies/open-records-memorandum-rulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
