Ms. Erica Rice
Records Manager
Texas Alcoholic Beverage Commission
P.O. Box 13127

Dear Ms. Rice:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 981411 (TABC Records Request No. R006492-082422).

The Texas Alcoholic Beverage Commission (the "commission") received a request for information pertaining to a specified location. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes. Section 5.48 of the Alcoholic Beverage Code provides as follows:

(a) "Private records," as used in this section, means all records of a permittee, licensee, or other person other than the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license, or in a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.

(b) The private records of a permittee, licensee, or other person that are required or obtained by the commission or its agents, in connection with an

investigation or otherwise, are privileged unless introduced in evidence in a hearing before the commission or before a court in this state or the United States.

Alco. Bev. Code § 5.48. The term “privileged” in this statute has been construed to mean “confidential” for purposes of the Act. Attorney General Opinion JM-1235 at 2 (1990); Open Records Decision Nos. 186 (1978), 62 (1974). Thus, section 5.48 makes confidential any records required or obtained by the commission, with the exception of “the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license” and “a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.” Alco. Bev. Code § 5.48.

The commission explains the information submitted as Exhibit B consists of a permittee file maintained by the Licensing Division. The commission states none of the information at issue has been introduced as evidence in a hearing before the commission or before a court in Texas or the United States. Based upon these representations and our review, we agree the information at issue constitutes private records under section 5.48 of the Alcoholic Beverage Code. Accordingly, with the exception of the name, proposed location, and type of permit or license sought in the relevant applications, which the commission states will be released, the commission must withhold Exhibit B under section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The commission states Exhibit C pertains to active criminal investigations by the commission’s Enforcement Division. We note the commission's Enforcement Division is a law enforcement agency. *See* Alco. Bev. Code §§ 5.14 (commission may commission inspectors with police powers to enforce Alcoholic Beverage Code), .36 (commission shall investigate violations of Alcoholic Beverage Code and other laws relating to alcoholic beverages), .361 (commission shall develop risk-based approach to enforcement). Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to Exhibit C.

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of basic

information, which you state you will release, the commission may withhold Exhibit C under section 552.108(a)(1) of the Government Code.¹

In summary, with the exception of the name, proposed location, and type of permit or license sought in the relevant applications, which you state will be released, the commission must withhold Exhibit B under section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code. With the exception of basic information, which you state you will release, the commission may withhold Exhibit C under section 552.108(a)(1) of the Government Code.
