Ms. Aubrey Leggett
Public Information Officer
Brazos County

Dear Ms. Leggett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 982230.

Brazos County (the "county") received a request for all liability insurance policies purchased by the county. You state you will redact certain information pursuant to sections 552.130(c) and 552.136(c) of the Government Code.¹ Although you take no position regarding whether the submitted information is excepted from disclosure under the Act, you inform us its release may implicate the proprietary interests of the Texas Association of Counties ("TAC"). Accordingly, you state, and provide documentation showing, you notified TAC of the request for information and of its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from TAC. We have considered the submitted arguments and reviewed the submitted information.

¹ Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See id.* § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

Initially, we note TAC asserts some of the submitted information is not responsive to the present request for information. However, we note the Act requires a governmental body to make a good-faith effort to relate a request for information to information the governmental body holds or to which it has access. *See* Open Records Decision Nos. 563 (1990), 561 at 8-9 (1990), 555 at 1-2 (1990), 534 at 2-3 (1989). Because you have submitted the information at issue for our review, we find the county has made a good-faith effort to relate the present request to information within its possession or control and submit information to this office that is responsive to the request. Accordingly, we will consider whether information at issue is excepted from disclosure under the Act.

Section 552.110(b) of the Government Code states, “[e]xcept as provided by [s]ection 552.0222, information is excepted from [required disclosure] if it is demonstrated based on specific factual evidence that the information is a trade secret.” Gov’t Code § 552.110(b). Section 552.110(a) defines a trade secret as all forms and types of information if:

- (1) the owner of the trade secret has taken reasonable measures under the circumstances to keep the information secret; and
- (2) the information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable through proper means by, another person who can obtain economic value from the disclosure or use of the information.

Id. § 552.110(a). Section 552.110(c) of the Government Code states:

Except as provided by Section 552.0222, commercial or financial information for which it is demonstrated based on specific factual evidence that disclosure would cause substantial competitive harm to the person from whom the information was obtained is excepted from [required disclosure].

Id. § 552.110(c). Additionally, we note section 552.0222(b) lists certain types of information to which section 552.110 does not apply. *See id.* § 552.0222(b). TAC argues its information consists of trade secrets and commercial or financial information subject to section 552.110(c). However, we find some of the information at issue is subject to section 552.0222(b) and may not be withheld on the basis of section 552.110. Additionally, we find TAC has failed to provide specific factual evidence demonstrating the information at issue is a trade secret or constitutes commercial or financial information, the release of which would result in substantial competitive harm. Therefore, the county may not withhold any of the submitted information under section 552.110(b) or section 552.110(c) of the Government Code. As no further exceptions to disclosure have been raised, the county must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
