

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

November 2, 2022

Mr. Hugh Coleman  
City Attorney  
City of Sanger  
502 Elm Street  
Sanger, Texas 76266

OR2022-34079

Dear Mr. Coleman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 982234 (COS PIR No. PRR2022-348).

The City of Sanger (the "city") received a request for a specified police report involving a named individual. The city claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions the city claims and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under [the Act] and may be disclosed only for purposes consistent

<sup>1</sup> We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). We note the submitted information relates to an investigation of alleged or suspected child abuse or neglect conducted by the city's police department (the "department"). *See id.* §§ 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining "abuse" and "neglect" for purposes of chapter 261 of the Family Code). Based on the city's representation and our review, we find this information was used or developed in an investigation of alleged child abuse or neglect and is subject to section 261.201 of the Family Code. The city does not indicate the department has adopted a rule that governs the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, we conclude the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.<sup>2</sup> *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

Finally, the city asks us to issue a previous determination permitting it to withhold information subject to section 552.108(a)(1) of the Government Code without the necessity of requesting an attorney general opinion. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
