OR2022-34824

Dear Ms. Henry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 983937 (City ORR #P023940-082422).

The Plano Police Department (the "department") received a request for twenty-eight categories of information pertaining to a named individual. You argue, pursuant to section 552.028 of the Government Code, the department need not comply with the request for information. You also claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Section 552.028 of the Government Code provides, in relevant part:

(a) A governmental body is not required to accept or comply with a request for information from:

(1) an individual who is imprisoned or confined in a correctional facility; or

(2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under [the Act].

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

Gov't Code § 552.028(a)-(b). You state the requestor is seeking the information on behalf of an individual who is currently confined in a correctional facility as defined by section 552.028(c). *See id.* § 552.028(c). Additionally, the request for information demonstrates the requestor is seeking the information on behalf of the inmate pursuant to a power of attorney granted by the inmate. Thus, you contend the requestor is acting as an agent of the named inmate. Upon review, we agree the requestor is acting as the agent of the inmate for purposes of section 552.028. Therefore, the department need not comply with the request for information from the requestor. As we are able to make this determination, we need not address the remaining argument against disclosure of the requested information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
