Dear Ms. Hooper:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 983538 (ORR# C008208).

The City of Dallas (the "city") received a request for information pertaining to a specified animal. The city claims some of the submitted information is excepted from disclosure under sections 552.101 and 552.1177 of the Government Code. We have considered the claimed exceptions and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code also encompasses information protected by section 801.353 of the Occupations Code, which provides, in relevant part, the following:

- (a) A veterinarian may not violate the confidential relationship between the veterinarian and the veterinarian's client.
- (b) A veterinarian may not be required to release information concerning the veterinarian's care of an animal, except on the veterinarian's receipt of:

---

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

- (1) a written authorization or other form of waiver executed by the client; or
- (2) an appropriate court order or subpoena.

Occ. Code § 801.353(a), (b). Section 801.353 limits a veterinarian's release of information concerning the veterinarian's care of an animal to certain circumstances. *See id.* Upon review, we find some of the submitted information, which we have marked, consists of veterinary records of a veterinarian employed by the city. The city states it has not obtained permission from the owner or caretaker of the animal the records of which are at issue to release the animal's records. *See id.* § 801.351(a)(1) (defining "client" as "owner or other caretaker of the animal"). Further, the city states the requestor has not produced an appropriate court order or subpoena to release the information at issue. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 801.353 of the Occupations Code.

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Gov't Code § 552.1177(a). The city asserts the remaining information identifies a person who adopted an animal from the city's animal shelter. The city also represents its animal shelter made a humane disposition of the animal at issue under a municipal ordinance. Based on these representations, we find the city must withhold the information we have marked under section 552.1177 of the Government Code.

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 801.353 of the Occupations Code. The city must also withhold the information we have marked under section 552.1177 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
