

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

November 9, 2022

Ms. Avis D. White  
Paralegal  
City of Killeen  
P.O. Box 1329  
Killeen, Texas 76540

OR2022-35093

Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 984147 (Reference No. W041042).

The City of Killeen (the "city") received a request for a police report pertaining to a named individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See Gov't Code* § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The city received the request for information on August 2, 2022. Accordingly, the city was required to provide the information required by section 552.301(b) by August 16, 2022. However, the envelope in which the city provided the information required by section 552.301(b) was postmarked September 2, 2022. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the city failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

---

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The city claims section 552.108 of the Government Code for the submitted information. Because sections 552.101, 552.130, and 552.1175 provide compelling reasons to overcome the presumption of openness, we will address the applicability of these sections to the submitted information.<sup>2</sup> However, you have failed to establish a compelling reason to address your raised exception.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses the Medical Practice Act (“MPA”), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004; Open Records Decision No. 598 (1991). This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Upon review, we find a portion of the submitted information, which we marked, constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that was created or is maintained by a physician. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with the MPA.

<sup>2</sup> The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Section 552.101 of the Government Code also encompasses section 560.003 of the Government Code, which provides, “[a] biometric identifier in the possession of a governmental body is exempt from disclosure under [the Act].” Gov’t Code § 560.003; *see id.* § 560.001(1) (“biometric identifier” means retina or iris scan, fingerprint, voiceprint, or record of hand or face geometry). There is no indication the requestor has a right of access to the submitted fingerprints under section 560.002. *See id.* § 560.002(1)(A) (governmental body may not sell, lease, or otherwise disclose individual’s biometric identifier to another person unless the individual consents to disclosure). Accordingly, the city must withhold the marked fingerprints under section 552.101 of the Government Code in conjunction with section 560.003 of the Government Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. The court of appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.1175 of the Government Code protects the home address, home telephone number, emergency contact information, date of birth, social security number, and family member information of certain individuals, when that information is held by a governmental body in a non-employment capacity and the individual elects to keep the information confidential. Gov’t Code § 552.1175. Section 552.1175 applies to “a current or former member of the United States Army, Navy, Air Force, Coast Guard, or Marine Corps, an auxiliary service of one of those branches of the armed forces, or the Texas military forces, as that term is defined by Section 437.001[.]” *Id.* § 552.1175(a)(15). Accordingly, to the extent the information we marked pertains to an individual who is subject to section 552.1175(a) and who elects to restrict access to the information in accordance with section 552.1175(b), the city must withhold the information we marked under section 552.1175 of the Government Code. Conversely, if the individual whose information is at issue is not subject to section 552.1175(a) or does not elect to restrict access to their information in accordance with section 552.1175(b), then the information at issue may not be withheld under section 552.1175 of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal

identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with the MPA. The city must withhold the marked fingerprints under section 552.101 of the Government Code in conjunction with section 560.003 of the Government Code. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. To the extent the information we marked pertains to an individual who is subject to section 552.1175(a) and who elects to restrict access to the information in accordance with section 552.1175(b), the city must withhold the information we marked under section 552.1175 of the Government Code. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The remaining information must be released.<sup>3</sup>
