ATTORNEY GENERAL OF TEXAS

November 10, 2022

Ms. April Earley
Senior Assistant City Attorney
City of Tyler
P.O. Box 2039
Tyler, Texas 75710

OR2022-35160

Dear Ms. Earley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 984241 (ORR# 1618).

The City of Tyler (the "city") received a request for case number 22-010517. The city argues the submitted body worn camera recording was not properly requested pursuant to Chapter 1701 of the Transportation Code. The city claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the submitted arguments and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the city's police department (the "department"). *See id.* §§ 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining "abuse" and "neglect" for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. The city does not indicate the department has adopted a rule that governs the release of this type of information and therefore we assume no such regulation exists. Given that assumption, we conclude the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.² *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
