

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

November 10, 2022

Mr. David Fulton  
Assistant Criminal District Attorney  
Randall County  
2309 Russell Long Boulevard, Suite 120  
Canyon, Texas 79015

OR2022-35215

Dear Mr. Fulton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 984247.

Randall County (the "county") received a request for voting records from "the 2020 elections." You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim.

We address your assertion the information at issue cannot be released in response to a request under the Act pursuant to section 66.058 of the Election Code. Section 66.058 provides, in relevant part:

(a) Except as otherwise provided by this code, the precinct election records shall be preserved by the authority to whom they are distributed for at least 22 months after election day.

(b) For a period of at least 60 days after the date of the election, the voted ballots shall be preserved securely in a locked room in the locked ballot box in which they are delivered to the general custodian of election records. . . .

(b-1) Except as permitted by this code, a ballot box or other secure container containing voted ballots may not be opened during the preservation period.

. . .

(g) Electronic records created under Chapter 129 shall be preserved in a secure container.

Elec. Code § 66.058(a)-(b-1), (g). The term “precinct election records” means the precinct election returns, voted ballots, and other records of an election that are assembled and distributed under chapter 66 of the Election Code. *See id.* § 66.02; *see also id.* §§ 121.001 (noting other provisions of this code apply to an election in which a voting system is used), 127.132 (explaining voted ballots, election returns, and other election records of an electronic voting system shall be delivered to the authorities who receive corresponding records from precinct polling places using regular paper ballots), 129.001 (stating chapter 129 applies to voting system that uses direct recording electronic voting machines and, to the extent possible, procedures applicable to electronic voting system under chapter 127 are applicable to voting system under chapter 129). Although you assert the information at issue may not be released until the expiration of the 22-month preservation period set out in section 66.058(a), we note the elections at issue in the present request occurred in 2020. Thus, as of the date of this letter, the 22-month period has since passed. Accordingly, we need not determine whether the information at issue cannot be released in response to a request under the Act pursuant to section 66.058 of the Election Code. As you raise no further exceptions to disclosure, the county must release the requested information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
