

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 16, 2022

Mr. Avito Zaldivar
Waxahachie Police Department
630 Farley Street
Waxahachie, Texas 75165

OR2022-35730

Dear Mr. Zaldivar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 984576.

The Waxahachie Police Department (the "department") received a request for information pertaining to a specified incident. The department indicates it will withhold information pursuant to section 552.130(c) of the Government Code.¹ The department claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note the department has redacted dates of birth from the submitted documents. The department does not assert, nor does our review of our records indicate, it has been authorized to withhold any such information without seeking a ruling from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2000). Because we can discern the nature of the information that has been redacted, being deprived of it does not inhibit our ability to make a ruling in this instance. Nevertheless, be advised a failure to provide this office with requested information generally deprives us of the ability to determine whether information may be withheld and leaves this office with no alternative other than ordering that the redacted information be released. *See* Gov't Code §§ 552.301(e)(1)(D)

¹ Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

(governmental body must provide this office with copy of “specific information requested”), .302.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”² *Id.* § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). We note a statutory right of access prevails over the Act’s general exceptions to public disclosure, including section 552.108 of the Government Code. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act).

The submitted information contains a CR-3 accident report that is subject to chapter 550 of the Transportation Code. We are unable to determine whether the requestor is a person listed under section 550.065(c). Thus, we must rule conditionally. If the requestor is a person listed under section 550.065(c) of the Transportation Code, then the department must release the CR-3 accident report pursuant to section 550.065(c) of the Transportation Code. If the requestor is not a person listed under section 550.065(c), then the department must withhold the report under section 552.101 of the Government Code in conjunction with section 550.065(c) of the Transportation Code. Nevertheless, section 550.065(c-1) requires the department to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, if the requestor is not a person listed under section 550.065(c), then the department must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). The department states the remaining information pertains

to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to this information.

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which the department must release, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, if the requestor is a person listed under section 550.065(c) of the Transportation Code, then the department must release the CR-3 accident report pursuant to section 550.065(c) of the Transportation Code. If the requestor is not a person listed under section 550.065(c), then the department must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(c) of the Transportation Code, but release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. With the exception of basic information, which the department must release, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
