

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 18, 2022

Mr. Stephen D. Gates
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2022-36149

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 986271 (Ref. No. M038477-082922).

The City of Midland (the "city") received a request for 9-1-1 calls and dashboard camera videos pertaining to a specified incident involving the requestor's client. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have not submitted information responsive to the portion of the request seeking dashboard camera videos pertaining to the specified incident. To the extent any information responsive to this portion of the request existed on the date the city received the request, we assume the city has released it. If the city has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by

electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). We note section 58.008 does not make information related to traffic offenses confidential. *See id.* §§ 51.02(16) (defining traffic offense), .03(a) (delinquent conduct for purposes of title 3 of Family Code does not include traffic offenses), .03(b) (conduct indicating a need for supervision does not include traffic offenses). Thus, you have failed to demonstrate the submitted information involves juvenile conduct for purposes of section 58.008(b) of the Family Code. Accordingly, the city may not withhold any portion of the submitted information under section 552.101 of the Government Code on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See* Gov’t Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to her client’s motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person’s agent on ground that information is considered confidential by privacy principles); ORD 481 at 4 (privacy theories not implicated when individuals request information concerning themselves). Accordingly, with the exception of the information pertaining to the requestor’s client, the city must withhold all audible license plate numbers under section 552.130 of the Government Code. The city must release the remaining information.

¹ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
