ATTORNEY GENERAL OF TEXAS

Ms. Holly Voth  
Assistant City Attorney  
City of San Angelo  
72 West College Avenue  
San Angelo, Texas 76903

OR2022-36636

Dear Ms. Voth:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 986259 (ORR# R004131).

The City of San Angelo (the "city") received a request for the name of the city marshal who drives a specified vehicle. The city claims the requested information is excepted from disclosure under section 552.1175 of the Government Code.<sup>1</sup> We have considered the exception the city claims.

We must address the city's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The city received the request for information on August 31, 2022. As of this date, the city has not submitted to this office a copy or representative sample of the

<sup>1</sup> Although the city also raises sections 552.101 and 552.108 of the Government Code, the city has not provided any arguments to support these exceptions. Therefore, we assume the city has withdrawn its claim these exceptions apply to the requested information. *See* Gov't Code §§ 552.301, .302.

information requested. Accordingly, we conclude the city failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the city raises an exception to disclosure, because the city has not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If the city believes the information may not lawfully be released, the city must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
