

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 1, 2022

Ms. Victoria Jimenez
Director of Legal Services
Harris County Sheriff's Office
1200 Baker Street
Houston, Texas 77002

OR2022-37145

Dear Ms. Jimenez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 987149 (HCSO File# 22SO50093).

The Harris County Sheriff's Office (the "sheriff's office") received a request for the personnel file for twenty-nine named officers. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes peace officer's Texas Commission on Law Enforcement ("TCOLE") identification numbers. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the submitted TCOLE identification numbers are unique computer-generated numbers assigned to peace officers for identification in TCOLE's electronic database and each number may be used as an access device number on the TCOLE website. Therefore, we find the submitted TCOLE numbers do not constitute public information under section 552.002 of the Government Code. Accordingly, the submitted TCOLE numbers are not subject to the Act and the sheriff's office need not release this information to the requestor.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). In this instance, the remaining information consists of personnel file records pertaining to named peace officers. Section 552.108 is generally not applicable to purely administrative records that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also Open Records Decision No. 350* at 3-4 (1982). However, in this instance, you state, and provide documentation demonstrating, the remaining information relates to an ongoing criminal investigation and prosecution. Additionally, you submit documentation showing the officers whose information is at issue are investigating officers in the case at issue. Based upon this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information. Accordingly, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

¹ As we are able to make this determination, we need not address your argument against disclosure of this information.

In summary, the submitted TCOLE numbers are not subject to the Act and the sheriff's office need not release this information to the requestor. The sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
