ATTORNEY GENERAL OF TEXAS

December 2, 2022

Mr. Eric Gutierrez  
Assistant City Attorney  
City of El Paso  
P.O. Box 1890  
El Paso, Texas 79950-1890

OR2022-37185

Dear Mr. Gutierrez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 988441 (Ref. No. W115361-090222; City Case No. 22-1006-11729).

The City of El Paso (the "city") received a request for sprinkler drawings from a specified location. Although you take no position regarding whether the submitted information is excepted from disclosure, you state release of the information at issue may implicate the proprietary interests of Olympic West Fire Protection, LLC ("Olympic"). Accordingly, you state, and provide documentation demonstrating, the city notified Olympic of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Olympic explaining why the information at issue should not be released. Thus, we have no basis to conclude Olympic has a protected proprietary interest in the information at issue. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Therefore, the city may not withhold any portion of the submitted information on the basis of any proprietary interest Olympic may have in it. As no other exceptions to disclosure have been raised for the submitted information, it must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Michelle Garza  
Assistant Attorney General
