Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
315 South Santa Rosa, 6th Floor  
San Antonio, Texas 78207

OR2022-37295

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 986560 (ORR# W472094).

The City of San Antonio (the "city") received a request for a specified report. The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 730.004 of the Transportation Code, which provides "an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record." Transp. Code § 730.004. "Personal information" means "information that identifies a person," and includes a person's photograph, social security number, driver identification number, name, and address, but does not include a zip code, telephone number, or medical and disability information. *Id.* § 730.003(6). The Department of Public Safety ("DPS") is an "agency" for purposes of chapter 730. *See id.* § 730.003(1) ("agency" is state agency that compiles or maintains motor vehicle records). The city states its police department (the "department") is an authorized recipient of personal information contained in motor vehicle records maintained by DPS. Some of the submitted information pertains to the requestor's client. The requestor has a right of access to her client's information pursuant to section 730.006 of the Transportation Code. *See id.* § 730.006 (personal information obtained by agency in connection with motor vehicle record shall be disclosed to requestor who demonstrates requestor has obtained written consent of the person who is subject of the information). Nevertheless, with the exception of the information pertaining to the

requestor's client, the city must withhold the submitted driver identification numbers, names, addresses, but not the individuals' zip codes, medical information, or disability information in the information that the city marked as having been received from DPS under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. However, the remaining information that the city has marked is not confidential under section 730.004 or 730.013 of the Transportation Code and the city may not withhold that information under section 552.101 of the Government Code on either of those bases.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> *See* Gov't Code § 552.130. Because section 552.130 protects personal privacy, the requestor has a right of access to her client's motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) ("person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). However, the city must withhold the submitted motor vehicle recording that does not pertain to the requestor's client, a representative sample of which we have marked, under section 552.130 of the Government Code.

Section 552.136(b) of the Government Code provides, "[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b). This office has determined an insurance policy number is an access device number for purposes of section 552.136. Open Records Decision No. 684 at 9 (2009). Because section 552.136 protects personal privacy, the requestor has a right of access to her client's insurance policy number pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a); ORD 481 at 4. However, the city must withhold the submitted insurance policy numbers that do not pertain to the requestor's client under section 552.136 of the Government Code.

In summary, the city must withhold the following: (1) with the exception of the information pertaining to the requestor's client, the submitted driver identification numbers, names, addresses, but not the individuals' zip codes, medical information, or disability information in the information that the city marked as having been received from DPS under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code; (2) the submitted motor vehicle recording that does not pertain to the requestor's client, a representative sample of which we have marked, under section 552.130

of the Government Code; and (3) the submitted insurance policy numbers that do not pertain to the requestor's client under section 552.136 of the Government Code. The city must release the remaining information.
