Mr. Robert G. Schleier, Jr.

Law Office of Robert G. Schleier, Jr.

Dear Mr. Schleier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 988210 (ORR#).

The Kilgore Police Department (the "department"), which you represent, received a request for case number 2109-0567. The department states it is releasing some of the requested information. The department claims some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). The department states it is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code and informs us the telephone number it marked consists of the originating telephone number furnished by a 9-1-1 service supplier. Based on these representations, we find the department must withhold the telephone number it marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal

identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information it marked under section 552.130 of the Government Code.

In summary, the department must withhold the telephone number it marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. The department must withhold the motor vehicle record information it marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
