Dear Ms. Begle:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 984033 (ORR# LaMarque22-064).

The City of La Marque (the "city"), which you represent, received a request for information pertaining to the hiring process of a named individual. You claim the requested information is excepted from disclosure under sections 552.101 through 552.162 of the Government Code. We have considered the exceptions you claim.

Initially, we note portions of the request require the city to answer questions. The Act does not require a governmental body to answer general questions, perform legal research, or create new information in response to a request for information. *See* Open Records Decision Nos. 563 at 8 (1990), 555 at 1-2 (1990). However, the Act does require the governmental body to make a good faith effort to relate a request to information that the governmental body holds or to which it has access. *See* Open Records Decision Nos. 563 at 8, 561 at 8-9 (1990), 555 at 1-2, 534 at 2-3 (1989). In this instance, we assume the city has made a good faith effort to locate any information responsive to this request.

Next, we must address the city's obligations under the Act. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which

parts of the documents. Gov't Code § 552.301 (e). As of the date of this letter, you have failed to submit a copy or representative sample of the information requested. Consequently, we find the city failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the city raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
