

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 6, 2022

Mr. Kevin Bailey
Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2022-37665

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 987994 (ORR# M038622-090922).

The City of Midland (the "city") received a request for information pertaining to a specified incident. You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered your arguments and reviewed the submitted information.

Initially, we note the submitted information contains police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in relevant part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The city asserts the submitted information is confidential under section 261.201. However, we find the city has not established this information was used or developed in an investigation of alleged or suspected child abuse or neglect under chapter 261 of the Family Code or consists of a report of alleged or suspected abuse or neglect. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of section 261.201). Therefore, the submitted information is not confidential under section 261.201(a) of the Family Code and the city may not withhold it under section 552.101 of the Government Code on that ground.

Section 552.101 of the Government Code also encompasses chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental

¹ As we are able to make this determination, we need not address your remaining arguments against disclosure of this information.

entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). We note a statutory right of access prevails over the Act's general exceptions to public disclosure, including section 552.108 of the Government Code. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act).

The submitted information contains a CR-3 accident report that is subject to chapter 550 of the Transportation Code. We are unable to determine whether the requestor is a person listed under section 550.065(c). Thus, we must rule conditionally. If the requestor is a person listed under section 550.065(c) of the Transportation Code, then the city must release the CR-3 accident report pursuant to section 550.065(b) of the Transportation Code. If the requestor is not a person listed under section 550.065(c), then the city must withhold the report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. Nevertheless, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, if the requestor is not a person listed under section 550.065(c), then the city must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Upon review, we find some of the information at issue satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² *See Gov't Code* § 552.130. Accordingly, the city must withhold the information we marked and all visible license plates under section 552.130 of the Government Code.

² The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, if the requestor is a person listed under section 550.065(c) of the Transportation Code, then the department must release the CR-3 accident report pursuant to section 550.065(b) of the Transportation Code. If the requestor is not a person listed under section 550.065(c), then the department must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the information we marked and all visible license plates under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
