Mr. Michael Guerrero  
Assistant General Counsel  
Texas Department of Criminal Justice  
P.O. Box 4004

OR2022-37994

Dear Mr. Guerrero:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 998287 (PIA 0552-09-2022).

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to the parole file of a named inmate. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses information protected by other statutes, such as section 508.313(a) of the Government Code, which provides in part:

(a) All information obtained and maintained [by the department], including a victim protest letter or other correspondence, a victim impact statement, a list of inmates eligible for release on parole, and an arrest record of an inmate, is confidential and privileged if the information relates to:

---

<sup>1</sup> We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

- (1) an inmate of the institutional division [of the department] subject to release on parole, release to mandatory supervision, or executive clemency;
- (2) a releasee; or
- (3) a person directly identified in any proposed plan of release for an inmate.

*Id.* § 508.313(a). The department argues the some of the submitted information, which it marked, is confidential under section 508.313(a). The department states the information consists of information related to a releasee. The department states the requestor is not an entity authorized to obtain the information at issue under section 508.313(c). *See id.* § 508.313(c). Further, the department informs us the information is not made public under section 552.029 of the Government Code and the information does not consist of information relating to a sex offender that is authorized for release under Chapter 62, Code of Criminal Procedure. *See id.* § 508.313(e), (f); Code Crim Proc. Ch. 62. Based on the department's representations and our review, we find the information at issue is subject to section 508.313 of the Government Code. Accordingly, the department must withhold the information it marked under section 552.101 of the Government Code in conjunction with section 508.313 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
