OR2022-38099

Dear Ms. Kreh:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 988829 (ORR-404-2022).

The City of Euless (the "city"), which you represent, received a request for dashboard camera and body worn camera recordings related to a specified incident. You state you will redact motor vehicle record information pursuant to section 552.130(c) of the Government Code.<sup>1</sup> You further state you will withhold social security numbers pursuant to section 552.147(b) of the Government Code and certain information pursuant to Open Records Decision No. 684 (2009).<sup>2</sup> You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You further claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered your arguments and reviewed the submitted information.

---

<sup>1</sup> Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

<sup>2</sup> Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b). Open Records Decision No. 684 is a previous determination issued by this office authorizing all governmental bodies to withhold certain categories of information without the necessity of requesting an attorney general decision. *See* ORD 684.

Initially, we note, and you acknowledge, the submitted information includes peace officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) of the Occupations Code provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a) for one of the submitted body worn camera recordings, which you have indicated. As the body worn camera recording you have indicated was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.<sup>3</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). We note the instant request includes the information required by section 1701.661(a) with respect to the remaining body worn camera recording.

Next, we note the remaining information contains video recordings that are subject to article 2.1396 of the Code of Criminal Procedure. Article 2.1396 provides as follows:

A person stopped or arrested on suspicion of an offense under Section 49.04, 49.045, 49.07, or 49.08, Penal Code, is entitled to receive from a law enforcement agency employing the peace officer who made the stop or arrest a copy of any video made by or at the direction of the officer that contains footage of:

- (1) the stop;
- (2) the arrest;

---

<sup>3</sup> As we are able to make this determination, we need not address your remaining argument against disclosure of this information.

(3) the conduct of the person stopped during any interaction with the officer, including during the administration of a field sobriety test; or

(4) a procedure in which a specimen of the person's breath or blood is taken.

Crim. Proc. Code art. 2.1396. The information at issue consists of video recordings made by or at the direction of officers employed by the city's police department that contain footage of the requestor being stopped or arrested on suspicion of an offense under section 49.04 of the Penal Code. Penal Code § 49.04 (person commits offense if person is intoxicated while operating motor vehicle in public place). Therefore, the requestor is entitled to receive copies of these portions of the video recordings pursuant to article 2.1396. Although you assert section 552.108 to withhold the information at issue, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's right of statutory access under article 2.1396 prevails. Therefore, the city may not withhold any portion of the video recordings at issue that depicts the stop, the arrest, or the conduct of the requestor under section 552.108 of the Government Code. Accordingly, the city must release the portions of the remaining video recordings that depict the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the blood or breath of the requestor is taken under article 2.1396 of the Code of Criminal Procedure.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue relates to a pending criminal investigation or pending prosecution. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we conclude section 552.108(a)(1) is applicable to the information at issue, and the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, as the body worn camera recording you have indicated was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. With the exception of any portion of the remaining video recordings that depict the stop, the arrest, the conduct of the requestor, or a procedure in which a specimen of the requestor’s blood or breath is taken, which must be released to

this requestor pursuant to article 2.1396 of the Code of Criminal Procedure, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
