

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

December 14, 2022

Mr. Kevin Bailey  
Assistant City Attorney  
City of Midland  
P.O. Box 1152  
Midland, Texas 79701

OR2022-38926

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 990006 (Ref. No. M038724).

The City of Midland (the "city") received a request for the body worn camera footage pertaining to a specified incident involving the requestor. You state the city has released some information. You claim the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. We have considered your argument and reviewed the submitted information.

Initially, we note the submitted information includes of peace officer's body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the requisite information under section 1701.661(a) for the body worn camera recordings at issue. As the body worn

camera recordings were properly requested pursuant to chapter 1701 of the Occupations Code, we will address whether the information at issue is excepted from disclosure under the Act.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> *See* Gov't Code § 552.130. Because section 552.130 protects personal privacy, the requestor has a right of access to his own motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) ("person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Thus, with the exception of the motor vehicle record information belonging to the requestor, the city must withhold all visible license plates and vehicle registration stickers within the submitted information under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Sarah E. Reese
