Ms. Jessica Redding
Public Information Coordinator
Dallas Independent School District

Dallas, Texas 75231

OR2022-39110

Dear Ms. Redding:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 990801 (ORR# R022308-091922).

The Dallas Independent School District (the "district") received a request for information pertaining to a specified request for proposals. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of third parties. Accordingly, you state, and provide documentation showing, you notified Accountable Healthcare Staffing, Inc.; Cobb Pediatric Therapy Services, LLC; EBS Healthcare – Educational Based Services; EDU Healthcare; Speech Rehab Services; Supplemental Health Care aka SHIC Services, Inc.; The Execu Search Group, LLC; and Therapia Staffing, LLC of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the notified third parties explaining why their information should not be released. Therefore, we have no basis to conclude the notified third parties have a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the district may not withhold any of the submitted information on the basis of any proprietary interest the notified third parties may have in it.

Section 552.136(b) of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 (2009). Accordingly, the district must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Joseph Hoggatt
