Dear Ms. Broadfoot:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 990209 (R006669-092222).

The Texas Alcoholic Beverage Commission (the "commission") received a request for any reports pertaining to a named business. You state the commission is releasing some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). By its terms, section 552.108 applies only to a law enforcement agency or prosecutor. We note the commission's Enforcement Division is a law enforcement agency. *See* Alco. Bev. Code §§ 5.14 (commission may commission inspectors with police powers to enforce Alcoholic Beverage Code), .36 (commission shall investigate violations of Alcoholic Beverage Code and other laws relating to alcoholic beverages), .361 (commission shall develop risk-based approach to enforcement). You state Exhibit B pertains to closed criminal investigations by the commission's Enforcement Division that did not result in conviction or deferred adjudication. Based on this representation, we agree section 552.108(a)(2) is applicable to Exhibit B.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which you state the commission is releasing, the commission may withhold Exhibit B under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
