Dear Mr. Woolston:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 990011 (TPIA 2023-128).

The Round Rock Independent School District (the "district") received a request for body and security camera videos pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have not submitted information responsive to the portion of the request seeking security camera video pertaining to the specified incident. To the extent any information responsive to this portion of the request existed on the date the district received the request, we assume the district has released it. If the district has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information includes a peace officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We

note the requestor provides the requisite information for the body worn camera recording at issue. We note, however, section 1701.661(c) and section 1701.661(d) provide:

(c) Except as provided by Subsection (d), information recorded by a body worn camera and held by a law enforcement agency under this subchapter is not subject to the requirements of Section 552.021, Government Code.

(d) Information that is or could be used as evidence in a criminal prosecution is subject to the requirement of Section 552.021, Government Code.

Id. § 1701.661(c)-(d). You state the submitted body worn camera recording pertains to an incident where no criminal action is alleged to have occurred and will not be used in a criminal prosecution. Based upon your representations and our review, we agree the submitted body worn camera recording is confidential and must be withheld under section 552.101 of the Government Code in conjunction with section 1701.661(c) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
