ATTORNEY GENERAL OF TEXAS

Ms. Erica Rice  
Records Manager  
Texas Alcoholic Beverage Commission  
P.O. Box 13127  
Austin, Texas 78711-3127

OR2022-39220

Dear Ms. Rice:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 990782 (ORR# R006673-092222).

The Texas Alcoholic Beverage Commission (the "commission") received a request for information pertaining to a particular incident and the renewal of a specified license. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. Section 5.48 of the Alcoholic Beverage Code provides as follows:

- (a) "Private records," as used in this section, means all records of a permittee, licensee, or other person other than the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license, or in a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.
- (b) The private records of a permittee, licensee, or other person that are required or obtained by the commission or its agents, in connection with an investigation or otherwise, are privileged unless introduced in evidence in a

hearing before the commission or before a court in this state or the United States.

Alco. Bev. Code § 5.48. The term “privileged” in this statute has been construed to mean “confidential” for purposes of the Act. Attorney General Opinion JM-1235 at 2 (1990); Open Records Decision Nos. 186 (1978), 62 (1974). Thus, section 5.48 makes confidential any records required or obtained by the commission, with the exception of “the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license” and “a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.” Alco. Bev. Code § 5.48.

The commission explains Exhibit D is maintained by the Licensing Division and consists of application and renewal records for commission licenses or permits and internal communications within the commission related to the applications and renewal records. The commission states none of the information at issue has been introduced as evidence in a hearing before the commission or before a court in Texas or the United States. Based on the commission’s representations and our review, we agree the information at issue constitutes private records under section 5.48 of the Alcoholic Beverage Code. Accordingly, with the exception of the name, proposed location, and type of permit sought in the relevant applications, which the commission states will be released, the commission must withhold Exhibit D under section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person’s office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov’t Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st

Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). ORD 551 at 4.

This office has held that “litigation” within the meaning of section 552.103 includes contested cases conducted in a quasi-judicial forum. *See, e.g.*, Open Records Decision Nos. 474 (1987), 368 (1983), 301 (1982). For instance, this office has held that cases conducted under the Texas Administrative Procedure Act (the “APA”), chapter 2001 of the Government Code, constitute “litigation” for purposes of section 552.103. *See, e.g.*, Open Records Decision No. 588 at 7 (1991) (construing statutory predecessor to the APA). We further note a contested case before the State Office of Administrative Hearings (the “SOAH”) is considered litigation for purposes of the APA. *See id.*

The commission states Exhibit C pertains to a contested administrative hearing that had been filed and was pending when the commission received the request. The commission informs us commission hearings are conducted by the SOAH and governed by the APA. *See* Alco. Bev. Code § 5.43 (designating SOAH to conduct certain administrative hearings); 16 TAC § 37.2 (requiring all contested cases under the Alcoholic Beverage Code to comply with the APA). Based on these representations and our review, we determine litigation was pending when the commission received the request for information. The commission also states, and we agree, the information at issue relates to the litigation for purposes of section 552.103. Accordingly, the commission may withhold Exhibit C under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

In summary, with the exception of the name, proposed location, and type of permit sought in the relevant applications, which you state you will release, the commission must withhold Exhibit D under section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code. The commission may withhold Exhibit C under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
