

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 20, 2022

Ms. Leigh Ann Tognetti
Assistant District Attorney
Hidalgo County
100 East Cano Street
Edinburg, Texas 78539

OR2022-39682

Dear Ms. Tognetti:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 990866 (File No. 2022-262-DA.SO).

The Hidalgo County Sheriff's Office (the "sheriff's office") received a request for specified probable cause affidavits. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008(b) of the Family Code, which provides as follows:

Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least ten years old and less than seventeen years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). The sheriff’s office asserts the submitted information is subject to section 58.008(b). Upon review, however, the sheriff’s office has failed to demonstrate any portion of the submitted information depicts an individual who is ten years of age or older and under the age of seventeen as a suspect or offender of delinquent conduct or conduct indicating a need for supervision. Therefore, the sheriff’s office may not withhold any portion of the submitted information under section 552.101 of the Government Code in conjunction with section 58.008 of the Family Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the doctrine of the common-law privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the sheriff’s office must withhold all public citizens’ dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff’s office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
