- Applicants seeking funding for a VCLG purpose area are limited to registering and applying for VCLG funding only.

### **OVAG Program Requirements**

The purpose of the OVAG Program is to provide funds, using a competitive allocation method, to programs that address the unmet needs of victims by maintaining or increasing their access to quality services.

**OVAG Purpose Areas:** Grant contracts awarded under this Application Kit may be used for victim-related services or assistance for the following purposes:

- Providing direct victim services including, but not limited to, counseling, crisis intervention, assistance with Crime Victims' Compensation, legal assistance, victim advocacy, emergency housing assistance, and information and referral;
- Providing outreach or community education to help identify crime victims who might not otherwise be reached and provide or refer them to needed services;
- Connecting crime victims to services for the purpose of supporting or assisting in their recovery;
- Training professionals and volunteers to improve their ability to inform victims of their rights, to assist victims in their recovery, or to establish a continuum of care for victims; or
- Other support for victim-related services or assistance as determined by the OAG.

**OVAG Staffing Requirements:** The funding priority for the OVAG Program is to support positions that provide victim-related services or assistance and in particular to provide direct victim services.

- A minimum of 75% of an Applicant's budget must be allocated to the Personnel and Fringe Benefits budget categories. This requirement applies to all Applicants. The OAG may grant an exception to this requirement for projects that demonstrate a need as described in Tab C, Budget Calculation.
- An Applicant that requests 85% or more of the total grant amount in the Personnel and Fringe budget categories will be given additional consideration in scoring.

- An Applicant is limited to no more than six positions. Please note: Separating positions due to job sharing is included in the six position maximum.
- Each position listed on the budget can only be associated with one employee. Job sharing can be identified by listing the position on the budget separately as many times as necessary to include all employees who share the job.
- Job descriptions are required and must be submitted for all positions requesting funding. Each position listed must have a job description. Job descriptions must be submitted with the Application. Job descriptions must reflect activities that relate to the project's goals and must be appropriately proportionate to the time spent on duties and projects funded by the OVAG grant. **Job Descriptions must include a breakdown by time for activities funded by the grant.** For example, if a grant position works full-time on the grant, then a statement of "Advocate works 100% on the OVAG grant" will suffice. If a grant funded position works part-time on the grant, list the percentage of time worked on the grant next to the bulleted job duties (10% OVAG or 5 hours OVAG) will suffice.

**OVAG Direct Victim Services Staff:** Unless otherwise indicated in this Application Kit, all Applicants must provide one grant-funded person working at least twenty hours per week or two grant funded persons working at least ten hours each per week providing direct victim services in the Applicant's budget. Direct Victim Services are defined in the Definitions section of this Application Kit.

This requirement applies to all Applicants, including those that rely upon volunteers or contracted staff to deliver direct victim services. The OAG may grant an exception to this requirement for projects that demonstrate a need as described in Tab C, Budget Calculation.

At least one grant-funded person providing direct victim services will be required to complete an OAG training within 4 months of the grant execution date. One grant-funded person providing direct services must always be current on the OAG training. If for example, the grant-funded person providing direct victim services that initially completed the training is no longer employed by the agency, another grant-funded person providing direct victim services must complete the training. The training requirement may be completed either by attending an OAG training in person, or via an online course offered by the OAG. This requirement will be in effect for the entire two year grant cycle.

**OVAG Administrative Staff:** While the OAG prefers to fund positions providing direct victim services, it recognizes that administrative personnel may be needed to support victim-related services or assistance.

- The Applicant may not include more than three positions providing administrative support.
- The OAG will consider any position that has hours listed on the budget in the Administrative Column on Tab C-Budget Calculation as one of the three allowed administrative positions.
- The combined total number of hours for all administrative positions cannot exceed fifteen hours per week.

**OVAG Non-Profit Volunteer Requirement:** All non-profit (non-governmental) OVAG Applicants are required to use volunteers in some way to support the mission of their organization. If the organization does not currently utilize volunteers, a plan must be provided explaining how a volunteer program will be developed and implemented during the grant term.

If the Applicant currently uses volunteers, they must identify the role of a volunteer within the organization and describe program components related to recruitment, retention and training of volunteers.

**OVAG Statewide Project:** A statewide project is one that actively offers or provides victim-related services or assistance in six or more Council of Government (COG) regions. *Note: Public Awareness Campaigns are not eligible in this kit.*

### **VCLG Program Requirements**

The purpose of the VCLG program is to fund the mandated positions described in the Texas Code of Criminal Procedure, Article 56.04, specifically Victim Assistance Coordinators (VAC) in prosecutor offices and Crime Victim Liaisons (CVL) in law enforcement agencies.

In addition to the duties imposed in the Texas Code of Criminal Procedure, Article 56.04 (and more specifically the duties associated with ensuring crime victim's rights described in Article 56.02), VACs and CVLs are also expected to promote and educate the community and other professionals about victim rights and services in an effort to identify crime victims and provide or refer them to needed services.

At least one grant-funded person providing direct victim services will be required to complete an OAG training within 4 months of the grant execution date. One grant-funded person providing direct services must always be current on the OAG training. If for example, the grant-funded person providing direct victim services that initially completed the training is no longer employed by the agency, another grant-funded person providing direct victim services must complete the training. The training requirement may be completed either by attending an OAG training in person, or via an online course offered by the OAG. This requirement will be in effect for the entire two year grant cycle.

**VCLG Staffing Requirements:** An Applicant for the VCLG Program must request funding for a position that will perform the duties of a VAC or a CVL.

- A minimum of 75% of an Applicant's budget must be allocated to the Personnel and Fringe Budget categories.
- An Applicant that requests 85% or more of the total grant amount in the Personnel and Fringe Benefits budget categories will be given additional consideration in scoring.
- The Applicant must, at minimum, provide one VAC or CVL position working twenty hours per week or two positions working at least ten hours each per week in the Applicant's budget.
- An Applicant is limited to no more than six positions. Please note: Separating positions due to job sharing is included in the six position maximum.
- Each position listed on the budget can only be associated with one employee. Job sharing can be identified by listing the position on the budget separately as many times as necessary to include all employees who share the job.

- Job descriptions are required and must be submitted for all positions requesting funding. Each position listed must have a job description. Job descriptions must be submitted with the Application. Job descriptions must reflect activities that relate to the project's goals and must be appropriately proportionate to the time spent on duties and projects funded by the VCLG grant. **Job Descriptions must include a breakdown by time for activities funded by the grant.** For example, if a grant position works full-time on the grant, then a statement of "Advocate works 100% on the VCLG grant" will suffice. If a grant funded position works part-time on the grant, list the percentage of time worked on the grant next to the bulleted job duties (10% VCLG or 5 hours VCLG) will suffice.

### **Review Process**

The OAG will review each complete Application filed by the deadline by an eligible Applicant.

- At any time during the review process, an OAG staff member may contact the Applicant for additional information.
- All areas of the budget are subject to review and approval by the OAG. Decisions related to the budget are based on both eligibility and reasonableness.

### **Scoring**

The Application will be scored on information provided by the Applicant including, but not limited to:

- Organization Summary (20% of overall score)
- Project Summary and Description of Need (19% of overall score)
- Assessment and Evaluation (6% of overall score)
- What Will Be Done (30% of overall score)
- Financial Questions (20% of overall score)
- Comprehensive Scoring Criteria (5% of overall score)

### **Grant Decisions**

During the grant review and award process, the OAG may take into consideration other factors including whether the Applicant has demonstrated acceptable past performance as a grantee in areas related to programmatic and financial stewardship of grant funds.

The OAG may choose to award a grant contract from a different OAG funding source than that for which the Applicant applied.

The OAG is not obligated to award a grant at the total amount requested and/or within the budget categories requested. The OAG reserves the right to make awards at amounts above and/or below the stated funding levels.

All grant decisions including, but not limited to, eligibility, evaluation and review, and funding rest completely within the discretionary authority of the OAG. The decisions made by the OAG are final and are not subject to appeal.

### **Funding Priority**

The OAG reserves the right to consider all other appropriations or funding an Applicant currently receives when making funding decisions. The OAG may give priority to Applicants that do not receive other sources of funding, including funding that originates from the OAG.

The OAG reserves the right to give priority to projects that provide direct victim services with grant funds, that provide information and education about victim rights in their community, or projects that utilize volunteers in providing services.

### **Grant Award Notification**

The Applicant shall be notified in writing of the OAG's decision regarding a grant award.

The OAG may utilize a grant contract document and/or a notice of grant document once a decision is made to award a grant. The Applicant will be given a deadline to accept the grant award and to return the appropriate document to the OAG within the time prescribed by the OAG. An Applicant's failure to return the signed document to the OAG within the prescribed time period will be construed as a rejection of the grant award, and the OAG may de-obligate funds.

### **Special Conditions**

The OAG may assign special conditions at the time of the award. Until satisfied, these special conditions may affect the Applicant's ability to receive funds. If special conditions are not resolved, the OAG may de-obligate funds up to the entire amount of the grant award.

### **Reporting Requirements**

If an Application is funded, grantees will be required to report to the OAG quarterly, in the manner and schedule as determined by the OAG. Quarterly statistical reports are due no later than the 30<sup>th</sup> day of each month following the end of the quarter. The four quarters end on the last day of the month of November, February, May and August. Reporting on grant project activities such as outputs and outcomes via quarterly Performance Reports will be required. If reports are not submitted by the established dates, this may affect the Applicant's ability to receive reimbursement.

### **Method of Payment**

OAG grants are paid on a cost-reimbursement basis.

### **III. Specific Instructions for Tabs in Excel Workbook**

**For all Tabs, answer the questions only in the space provided. Only answers that appear in the specific text box will be read or scored. Do not write answers beyond the space provided or attach additional pages; they will not be read or scored.**

If a message appears when the Excel workbook is opened stating that “Macros in this workbook are disabled...” the Applicant should select “OK.”

Each time a new tab is selected, make sure to scroll up to the top as well as across the Tab to ensure all cells are viewed. Please note: If not applicable, leave the cells blank. Do not write “N/A” or “SAME”.

In order to cut and paste text into a cell, it may be necessary to double click the cursor into the cell, rather than simply selecting the cell.

**Not all questions on this Application have instructions listed below. The instructions provided are to clarify and provide specific information where necessary. Every question should be answered in the Excel document.**

#### **TAB A - ORGANIZATION**

##### **1. Organization**

Identifying and contact information:

- Unique Application Number (UAN) – A UAN was assigned when the organization completed its online registration for the grant program. Each grant program registered for will have a different UAN. Be sure to enter the correct UAN associated with this grant type.
- Legal Name of Applicant – Enter the legal name of Applicant Organization.
- Name of Agency Contact and Agency Contact’s Telephone Number - Provide a contact name and phone number in the event the OAG has any questions about the Application.

If Applicant is applying for an OVAG Statewide Project, check the box to the left of the Amount Requested. Applicants must check the “Check if Applying for an OVAG Statewide Project” box in order to answer the Statewide application questions.

The Amount Requested for FY 2016-2017 as well as the % of Personnel and Fringe Requested will auto-calculate when information is entered into Tab C - Budget Calculation. If Applicant’s amount requested is under the minimum or over the maximum eligible amount, the dollars requested will turn red. If a cell turns red, this is an indicator that the amount entered must be lowered as it exceeds the maximum eligible amount.

##### **2.1- 7.2 Narrative Questions**

All responses must fit in the text boxes provided when the Application is printed. Any information that does not appear in the text box (in print preview) will not be reviewed or scored. It is highly recommended that responses be written on a separate document, then cut and pasted

into the Excel document. If uncertain whether a response fits in the space provided, use the “print preview” function, or print out the responsive page to confirm.

**8. State and Federal Funds Experience** Enter the number of years of experience your organization has in managing state or federal grant funds.

## **TAB B - OUTPUT TARGET CALCULATION**

Tab B records staff position targets for all requested personnel funded with this OAG grant. The information entered onto this tab will be totaled on Tab D to indicate the Applicant’s targets for FY 2016 and FY 2017. The Applicant will report on cumulative activities in quarterly Performance Reports to the OAG, not activities by individual personnel.

### **9. Output Target Categories**

Applicants must provide targets for all grant funded positions in Section 10 and 11 of Tab C.

#### **Output Target Calculation**

Targets are broken down into two tables for Grant Funded Personnel and Professional/Consultant. The first table should include cumulative targets for Grant Funded Personnel listed in Section 10 of Tab C. The second table should include cumulative targets for Professional/Consultants listed in Section 11 of Tab C.

For all non-administrative positions, for non-prosecutor based Applicants, the following projected targets are **required**:

1. Number of Unique Victims Served
2. Assistance with Crime Victims' Compensation
3. Assistance with Texas SAVNS
4. Information & Referral
5. All services the Applicant plans to conduct using OAG funding.

For all non-administrative positions, for prosecutor based Applicants, the following projected targets are **required**:

1. Number of Unique Victims Served
2. Assistance with Crime Victims' Compensation
3. Assistance with Texas SAVNS
4. Information & Referral
5. Assistance with Restitution
6. All services the Applicant plans to conduct using OAG funding.

Enter “0” under services the Applicant does not intend to provide using OAG funds.

The output target number should represent the number of **unique victims** that will receive a particular service, not the number of times a particular service will be provided. Here are some important points to consider when projecting targets:

- 1) For reporting purposes, report the number of **unique victims** served each month and the particular type(s) of services they receive each month, not the number of times a particular service is provided.
- 2) Victims Served and Types of Services Provided are reported on a monthly basis. A **unique victim** may receive a particular type of service more than one time throughout the grant year.

Example: During the month of September, a unique victim receives Information and Referral five times, Crisis Intervention two times and Victim Advocacy one time. All three types of service would be reported, but only once under each type of service. If that victim were to receive the exact same services during the following month of October, services would be reported the exact same way.

Note: In addition to the selected targets listed on Tab B, the Applicant will be required to track and report to the OAG information about all services provided through this grant.

## **TAB C - BUDGET CALCULATION**

### **10. PERSONNEL AND FRINGE BENEFITS**

- Each Applicant is limited to no more than six positions. One employee per position on the grant is allowed. Multiple employees per position are unallowable. Each position listed on the budget can only be associated with one employee. Job sharing can be identified by listing the position on the budget separately as many times as necessary to include all employees who share the job. Please note: Separating positions due to job sharing is included in the six position maximum.

Any hours over forty (40) hours are unallowable by this grant.

- For each position, the Applicant should list the position title and the number of hours scheduled to work per week. Next, fill in the number of hours each week that will be spent on Direct Services, Administration, or any other hours charged to this grant. The number of hours scheduled to work on this grant auto-fills. See the Definitions section of this Application Kit for a definition of Direct Victim Services.
- Staff Position/Title #1 is highest priority and Staff Position/Title # 6 is lowest priority.
- For each position, provide the following information:
  - Annual salary
  - Annual fringe benefits amount for the position
  - Amount of fringe benefits requested from this grant
  - If the “Fringe Funding %” column appears in red, the fringe requested must be adjusted to be less than or equal to the percentage of salary requested for this position.
  - The Justification section must include the method used to calculate fringe benefits for each position.

Please Note: Total Salary Requested category will autofill based on the annual salary and the percentage of hours worked on the grant.

- The personnel budget category must include employees' salaries only and not compensation for independent contractors. "Employee" is defined as a person under the direction and supervision of the grantee, who is on the payroll of the grantee and for whom the grantee is required to pay applicable withholding taxes; or a person who will be on the grantee's payroll and for whom the grantee will pay applicable income withholding taxes once the grant is awarded.
- Salaries for grant-funded positions must be reasonable and comply with the grantee's salary classification schedule. The grantee must maintain supporting documentation that the salary is commensurate with paid positions in the geographical area with similar duties and qualifications.
- Job Descriptions are required and must be submitted for all positions requesting funding. Each position listed must have a job description. Job descriptions must be submitted with the Application. Job descriptions must reflect activities that relate to the project's goals and must be appropriately proportionate to the time spent on the OVAG or VCLG grant. Job Descriptions must include a breakdown by time for activities funded by the grant.
- Grant funds may be used to pay fringe benefits of an employee only if grant funds are used to pay for the salary of the same employee.
- An organization must provide grant funded personnel the same fringe benefits provided to all other non-grant funded personnel, and it should be offered/covered in the organization's written personnel policies regardless of whether the costs for fringe benefits are paid through that OAG grant.
- Fringe benefits must comply with the organization's written personnel policies regarding fringe benefits.
- Grantees must agree to comply with the Uniform Grant Management Standards (UGMS), Texas Administrative Code (TAC), 2 C.F.R. 200 titled Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

<https://fm.xcpa.state.tx.us/fm/travel/travelrates.php>
- For this grant, per diem is limited to \$36 per day for overnight travel unless a grantee’s travel policy provides for a lesser reimbursement. Per diem is unallowable for non-overnight travel for this grant.
- Hotel tax should be included under the Misc./Hotel Tax line.

- If mileage is to be paid, provide the number of miles and the cost per mile, not to exceed the Texas State Travel Guidelines, in the justification under 12.1 FY 2016 Travel Narrative and/or 12.2 FY 2017 Travel Narrative section.

- "Equipment" is defined as an article of non-expendable, tangible personal property having a useful life of more than one (1) year and a per unit acquisition cost which equals the lesser of the capitalization level established by the grantee for financial statement purposes or \$5,000.
- A grantee may use equipment paid with OAG funds only for grant-related purposes.
- Computers, regardless of cost, should be included under equipment.

Provide a justification for each item. This should include how it supports the goal of the grant.

### **14.2 FY 2017 Supplies Narrative**

## **15. Other Direct Operating Expenses (ODOE)**

- "Other Direct Operating Expenses" is defined as those costs not included in other budget categories and are directly related to the day-to-day operation of the grant program. Examples: Utilities, rent, insurance, security fees, or maintenance fees.
- Registration fees for conferences and other training sessions should be included in this category.
- Funds may not be used to purchase food and beverages.
- Enter the % of the total cost allocated to this grant project in the % column of the Other Direct Operating Expenses Chart.

### **ODOE and Cost Allocation**

Grantees often share program expenses with more than one funding source. Listed below are four allowable allocation methods and examples of how allocation can be applied to the appropriate funding source.

- Other Direct Operating Expenses that benefit more than one grant should be allocated proportionately to the benefit or service received. The method used to allocate cost should be a reasonable and measurable means of distributing the cost to those grants, and consistently applied to the type of cost.
- It is acceptable to use different allocation methods for different types of ODOE expense, as long as the allocation method is applied consistently for those expenses.
- Four common and acceptable allocation methods for ODOE expenses are: (1) funding, (2) full-time equivalents (FTE), (3) square footage, and (4) direct use. Allowable methods related to specific costs are shown in the chart below: This chart is an example of using different allocation methods for different specific costs.

### ALLOWABLE ALLOCATION METHODS

Cost Type	Funding	FTE	Square Footage	Direct Use
Copiers	x	x		x
Data Line	x	x		
Equip Maintenance	x	x		
Janitorial	x	x	x	
Postage	x	x		x
Printing	x	x		x
Rent	x	x	x	
Telephones	x	x		
Utilities	x	x	x	

The following are descriptions and examples of the acceptable methods:

(1) Funding Source Based: The proportion of expense borne by each funding source is allocated based on the proportion of funding provided. For example:

Funding Source Based Example	
Total Operating Budget of Grantee A	\$ 475,000
OAG Grant Funds	\$ 75,000
$75,000 \div 475,000 = 0.16$	
OAG Grant portion of the expense = 16%	
<b>The OAG Grant should not be charged more than the allowable ODOE costs. In this example, the allowable portion is 16% of the total cost.</b>	

(2) Full-time equivalents (FTE) Based: FTE is the numerical representation of full and part-time work activities. A person working full-time represents 1.00 FTE; a person working half-time represents .50 FTE.

Steps to calculate the annual number of FTEs:

1. Determine the total number of hours worked for all employees.
2. Divide that number by 2080 to calculate the overall total number of FTEs.
3. To obtain the number of FTEs charged to the grant, determine the total number of hours to be directly charged to the grant and divide by 2080. (2080 is the number of hours per year for a full-time FTE at 40 hours per week).
4. To obtain percentage of the grant FTEs, divide the FTE total for the grant by the total of the organization FTEs calculated in step 2.
5. This calculation will provide the percentage of ODOE cost that could be allocated to the grant.

FTE Based Example	
<b>Annual FTE Calculation</b>	20,800 total hours charged for all staff (based on time sheets or payroll records)
	$20,800 / 2080 = 10$ FTEs overall
	5,600 staff hours charged to grant A (based on time sheets or payroll records)
	$5,600 / 2080 = 2.7$ FTE's charged to that grant A
	$2.7$ (FTE charged to grant A) / $10$ (FTEs overall) = $.27$ (27%)
	$27\% \times$ ODOE expense = amount to be allocated to grant A

(3) Square Footage Based: This is calculated by measuring the square footage (sq. ft.) to determine the allocation percentage for direct use and common area. Listed below is an example to determine rent.

Direct Use is defined as an area occupied by funded grant staff under this grant.  
Common Area is defined as an area shared by all employees of the organization.

Total Sq. Footage = 1250; Rent = \$1200 per month;  $\$1200 / 1250 = \$.96$  per sq ft

Suite 1 (Program A) $10 \times 13.8 = 138$ sq ft	Suite 2 (Program B) $10 \times 13.8 = 138$ sq ft
Suite 3 (Program C) $10 \times 13.8 = 138$ sq ft	Suite 4 (Program D) $10 \times 13.8 = 138$ sq ft
Conf. Rm (Common Area) $22 \times 15 = 330$ sq ft	Rest Rm 1 (Common Area) $6 \times 8 = 48$ sq ft
Break Area (Common Area) $8 \times 8 = 64$ sq ft	Storage Rm (Common Area) $8 \times 8 = 64$ sq ft
Hallway (Common Area) $48 \times 4 = 192$ sq ft	

Program A (Direct Use)	$138 \text{ sq ft} \times .96 = \$132.48$
Program B (Direct Use)	$138 \text{ sq ft} \times .96 = \$132.48$
Program C (Direct Use)	$138 \text{ sq ft} \times .96 = \$132.48$
Program D (Direct Use)	$138 \text{ sq ft} \times .96 = \$132.48$
Common Area (Allocable ODOE Expense)	$698 \text{ sq ft} \times .96 = \$670.08$

#### Steps to Calculate Square Footage

1. Calculate the total square footage and divide by the monthly rent to determine the cost per square foot.
2. Multiply the direct use square footage by the cost per square foot. This will provide the direct use cost.
3. Add the total square feet of all the direct use areas (Program A+ Program B + Program C+ Program D) = Program ABCD direct use ( $138 + 138 + 138 + 138 = 552$ ).
4. Divide each direct use space by the total direct use to obtain % to distribute Common Area cost (Program A is  $138 / 552 = 25\%$ ).
5. Multiply this percentage by the cost of the Common Area to obtain the additional cost for each program Common Areas. (Program A =  $25\% \times$  Common Area cost of  $\$670.08 = \$167.52$ ).

6. Program A is allocated the \$132.48 based on direct use and \$167.52 for the proportionate Common Area. Program A allocation for rent based on square footage is  $\$132.48 + \$167.52 = \$300.00$ . *Repeat for Program B, Program C and Program D.*

(4) Direct Use Based: This is used when the ODOE cost can be directly charged to a grant by using meter readings, copy counts, etc.
